Moe Tavakolian ATI

2.0 Chapter Business

2.01 Approval of minutes

Motion to approve, C Oliver
Second, M Stone

2.02 Old Business

No old business discussed

2.03 NEW BUSINESS

J Kuehl asked about shop drawings for steel structures. A question was asked if any other jurisdiction required the Engineer of record to submit a letter to the jurisdiction that the Engineer has reviewed and approved the shop drawings prior to construction. No jurisdiction has that requirement.

2.04 Treasurers report.

L Feliciano reported that the ending balance is \$26,239.00

2.0 COMMITTEE REPORTS

3.01 Code change:

No report

3.02 Legislation:

E Hill discussed SB 1227 which is gaining momentum. This bill if passed would give public schools to the local jurisdiction to enforce. The Chapter agreed that this could be a good thing. C Oliver will take our Chapter support to the next CALBO meeting.

3.03 Special Inspection:

This will be the last month this category is specifically discussed. It was agreed that we will not keep this item on the agenda. If issues arise they will be discussed under another heading. M Tavakolian discussed that Engineers are now taking a more active role in the construction side of buildings which is making it more difficult to keep special inspectors busy.

3.04 Membership & Honors:

Gwen Wells with the Builders Exchange of the Central Coast father passed away.

Mark Wheeler is recovering well after surgery.

3.05 IAEI:

M Stone indicated there will be changes to the AFCI and GFCI requirements in the next code.

3.06 Education:

Mark McClain discussed the proposed 2010 education schedule Tri-Chapter meeting to be held on June 4, 2010 a flyer will follow.

3.07 CEC & Green Building:

J Kuehl discussed CAL Green, it only applies to new buildings, additions and remodels are except.

4.0 Other reports

4.01 I.C.C.

D Chantler indicated that John LaTorra is requesting for \$2,000 to assist in sending representation at the May Final Action Hearings. D Chantler tried to contact D Richardson to see if he would be interested in attending. Dave was not able to make contact. The Chapter decided to not make a decision until the next meeting. ICC does have 75 scholarships available.

4.02 CALBO

C Oliver discussed the February ABM. The 2011 ABM to be held in Napa, 2012 in Hollywood, and 2013 not yet decided. CTI is working on some new classes for this year. CALBO is still working with DSA on the CASP certification. April 27 will be the CALBO leadership and Advocacy day in Sacramento, if you want to attend send in your registration to CALBO, there is not a fee to attend.

4.03 Code Discussion

PROGRAM

Bryan Osborn, Premier Building Systems presented on Premier Structural Insulated Panels.

Adjournment
